

## Corporate and Institutional Membership

ITIA Corporate Membership is available to commercial bodies, for example agencies and companies that provide language services such as translation or interpreting.

ITIA Institutional Membership will be available from 1 June 2009 to bodies that do not function as commercial agencies, for example university centres for translation and interpreting studies or cultural institutes. Application documents for Institutional membership are currently being prepared.

ITIA subscription rates for existing members

Please note:

The ITIA is not accepting applications for Corporate or Institutional Membership at the moment as these categories are currently under review.
